

All-Natural, Additive-Free Treats Form Japan

Wagyu Jerky

Kuroge Wagyu Jerky

High in protein, low in calories, low in allergens, rich in nutrients

Each piece is carefully handmade and prepared using a cold air-drying technique to preserve nutrients. Rich in vitamins and minerals, with approximately 10% moisture content, it offers a satisfying chew and delicious flavor—an all-time favorite natural treat.

No additives! No artificial flavors! Absolutely no chemical preservatives!

Made with Premium Hokkaido Beef Round. Locally Sourced From Japan.

Beef round is high in quality protein, vitamins, and iron, with low fat content and easy digestibility—making it a healthy choice even for dogs on a weight management diet.

Packed with essential nurients to fuel a health life.

Savor the premium flavor of Japanese Black Wagyu Jerky, experience the pure, powerful energy of nature.

Tender and smooth texture with a rich,
savory Wagyu aroma.
